BLANDINE LAGOUTTE

The Artist of Inner Glow

Blandine Lagoutte is a French hair and make-up artist with 30 years of experience.

Trained in Paris and refined in Germany, she has beautified models on the runways of high fashion, film sets, and editorial shoots.

Her touch is light, precise, architectural. Her make-up reveals rather than hides.

After a transformative journey through the Moroccan desert, Blandine fell in love with its culture, its rituals, and its women. This retreat is her way of sharing her passion, her know-how, and a place that speaks to the soul.

"Successful make-up is make-up that you can't see. It's make-up that brings out the best in you. »

Blandine Lagoutte

A Gentle Balance of Learning Rest & Discovery

Every day has its rhythm: luminous mornings, sensory rituals, explorative afternoons and serene evenings.

From hammam to rooftop dinners, from medina strolls to make-up artistry, every moment nurtures your glow.

This experience welcomes every woman, no matter your experience.

Come as you are.
you are already enough.

COME TOGETHER!

Are you ready for a few inspiring days in Marrakech?

I've been traveling to Morocco and know Marrakech for almost 20 years, I've even styled for fashion magazines there and have fallen in love with this city again and again...

Together we will discover Marrakech, the magical city, in a very special way and create individual, subtle make-up and hairstyles in daily workshops.

Fresh, modern and sexy! Perfectly tailored to you, I will refine your styling to make you shine.

We will be staying in a high-quality riad in the Medina or a luxurious villa with a pool. Regardless of the location, the quality always remains the same: sophisticated, authentic and high-quality. The elegant rooms are equipped with en-suite bathrooms.

After breakfast, we'll start with our **hair & make-up session** and spend the afternoons **exploring iconic places** and enjoying life.

DISCOVER, ENJOY AND LIVE

In the early evening, we will optimize/restyle our hair and make-up in another session, then have dinner at selected locations and end the evening in Marrakech.

Hair & Make-up Session (daily, minimum 4 hours)

Day 1: "THE EASY GLOW" – instant radiance

Day 2: "GO FOR A DRINK / ACTIVITY" – the refreshing boost

Day 3: "GO OUT" – a subtle, sexy look

More Intense Exclusivity:

Day 4: "LOOK SOPHISTICATED & GLAMOROUS"

Day 5: "LOOK EASYGOING" – color your life

Day 6: "LOOK SIGNATURE" – we create your unique look

Exploring iconic places.

On our daily excursions, I'll show you Marrakech's must-sees: cultural highlights, charming cafés, hidden gems, the Medina and the souks, and you'll enjoy the oriental flair.
